Note:

The draft Coyote Valley Specific Plan is now available. The dEIR is expected in March. Melissa has begun reading the specific plan and will need help if the Chapter wants to evaluate it for possible endorsement based on our adopted criteria. At this meeting, we will be discussing the content of the specific plan and we will talk about the process that we should have, to review it, influence it and possibly endorse it. We are looking for a point person to work with Melissa on the Coyote Valley Specific Plan. Who would like to volunteer for this?
